General Comments
<p>Upon my arrival one group was inside doing arts and crafts and the other group was outside. After lunch one group continued with their art project and the other played board games. Afterwards, both groups went outside. The staff is engaged and attentive with the children and have a good balance of organized activities and free play.</p> <p>The centre is clean and well organize. The children have lots of toys and learning materials to meet their learning and educational needs and interests.</p> <p>Everything was in compliance today, I recommend for renewal.</p>
