General Comments
<p>Preschool program currently not running for this licence.</p> <p>Children and educators were observed eating lunch together when I arrived. Once children were finished eating they had the opportunity to free play until educators were able to clean up the tables/floors. Once tables and floors were cleaned educators open them back up for children to use during quiet free play.</p> <p>Many of the older children were observed helping and encouraging the younger children in the program.</p> <p>Child profiles are well organized and in accordance with the Act and Regulations.</p>
