### General Comments

- Visit to the center for an unexpected monitoring inspection
- Ratio was respected during the visit
- Discussion with educators concerning the connection of the application of the curriculum framework and the early childhood services act. The inspection checklist was shared with the educators and strategies were discussed on how to apply them within the center. A follow-up inspection will be completed evaluating with each educator if all the items of the regulation are being applied into their classroom.
- During the visit, no hot beverage was found in the children's indoor and outdoor play area
- A first-aid kit and a phone are always accessible on site and on outings.
- Toxic products, and cleaning supplies are locked and inaccessible to children
- Infants are always supervised when eating or drinking
- Infant bottles are stored with a cover in the refrigerator, labeled with the child's name and only used for the intended child
- Allergy information on any child is posted in the food preparation area
- Drinking water is provided throughout the day
- Food brought from home is labeled with the child's name and refrigerated or has an ice pack as required

Observations: When arriving at the center all children were outside playing, when coming in they all went in free play, educators were working on building sensory bins. They all transitioned for lunch and got ready for nap time.
