<p>General Comments</p> <p>Monitoring inspection performed. License has been issued and emailed. Please post on your parent board. This was completed during my visit.</p> <p>Administrative records were reviewed and all in order including fire drills being performed and recorded. It will be time to update outdoor check list in April to ensure the climbers, mulch, and other toys and equipment are clean and in good working order.</p> <p>This is a half day for school age children. No preschool group on Wednesdays. Two groups (younger school age) arrived at 11:20 AM and the older group arrived at 2:20pm.</p> <p>All children were observed eating lunch at noon and involved in a variety of age-appropriate activities. Lots of stations set up around the classroom. Children were involved in a coloring activity, building things with magnetic blocks. Very creative ideas and the educator offered some suggestions to extend learning. Other children were looking at Pokémon cards, drawing on a white board, involved in a sand sensory activity and making beaded designs. All children observed in outdoor play during the visit.</p>
