Address 80 Two Nations Crossing Fredericton NB E3A 0H2			
Name of Early Learning and Childcare Licensing Staff Jennifer Godin		Position Title Inspector	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

Children were preparing to go outside when I arrived for today's renewal inspection. Educators ensured that they were bringing out the children's sunscreen so they could put it on outside, and that everyone had their water bottles with them and filled with water. The children who forgot their water bottles at home were provided with cups that they were able to drink out of throughout the day.

While outside, children were observed playing with different play materials throughout the outside play space. Some of the children were observed playing on the play structure, with large Lego blocks, on plasma cars, soccer, and basketball. Educators ensured they were spread out around the outside play space to ensure they were able to properly supervise the children while they were playing. One educator offered the children with the opportunity to play a game of "X-Tag" should they want to. They really appeared to enjoy this game.

When children came in from playing outside, they were asked to wash their hands before they were provided with the opportunity to play freely around the room. Educators ensure they were supervising children in the back room while they were washing their hands, as that back room isn't currently being used due to lower enrollment for the summer months.

Educators were observed circulating around the tables during lunchtime taking the time to chat with the children.

Observed an abundance of positive child guidance such as gentle reminders and encouragements.

Educators ensure children were always supervised in the hallway when they were going to their cubbies or to go to the washroom.

Please ensure all required documents are kept on site for one (1) calendar year (January to December) for compliance purposes.

It is recommended that on laundry days, when the cushion covers are off the couches and chairs, that children do not sit on the couches and chairs until the covers are put back on for sanitary purposes.
