### General Comments

Upon arriving at the facility, the children had not yet arrived. The educators were observed sanitizing toys and the tables before the children's arrival. Around 3pm, the children arrived at the facility and stored their personal belongings in their labelled cubbies. An educator asked the children to wash their hands before having a snack. The children ate their lunch while an educator supervised them.

After having a snack, the children engaged in free play activities such as playing with Legos, in the dramatic play kitchen, card games and coloring. The educators were observed completing daily attendance and ensuring that all children had properly stored their items. The children in both classrooms were observed playing with various indoor play materials. The educators were observed engaging in the children's activities by playing with them. The educators were observed kneeling to speak to the children and were caring towards the children.

The educators verbally prompted the children before it was time to clean up their free play activities. The transitions were smooth as the children were prompted. After cleaning up the children gathered their backpacks and lined up to go outside. A head count was completed before going outside with the educators. The educators brought their first aid bags outside with them.

The educators communicated and supported each other throughout the afternoon. The indoor environment was clean and well organized. The children's personal belongings were properly labelled and stored. The parent information board was verified and complete. Staff and child profiles were complete.
