Comments: Deficiency is now compliant			

<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators observed engaged in variety of activities this morning including stories, open ended art, outdoor play and fine motor activities. Each environment is set-up with variety of materials and invitations for the children to explore freely.</p> <p>Purposeful planning is evident through documentation and materials added to the environments that support the children's current interests (colors, babies, body parts, trains, and transportation).</p> <p>Lunch time routines were observed today. Children were observed washing their hands and serving their own lunch. Educators observed encouraging children to try new foods. Macaroni and cheese with cucumbers and milk was served for lunch today.</p> <p>Nap time was observed today. The environments are dim, and educators put soft music on to ensure the environment is relaxing for children. The children's cots are set-up with bedding and are situated at an adequate distance apart. Educators observed comforting children as they settle in for nap.</p> <p>Diaper changing procedures observed to be followed. Monthly fire drills are documented. New staff file (4) review was completed, all required documents are in place.</p>
