General Comments
<p>Renewal Inspection completed today. The indoor environment is clean and well organized with clearly defined interest centres, invitations set up to invite children's engagement and a variety of materials accessible to children.</p> <p>Children were observed in play in the indoor and outdoor environments. Outdoors children played on the play structures, and sat together in conversation with their educator. Indoors, children engaged with open-ended art, painting, drawing, blocks, puzzles and dramatic play. Children were observed supporting each other and collaborating together in play.</p> <p>Positive and respectful relationships were observed between children and their educators. Educators were engaged in play and conversation alongside children and were receptive to their ideas and supporting their efforts. Facility is recommended for licensing.</p>
