### General Comments

A renewal inspection occurred today. The children's area has been moved temporarily to the gym as the floors in the school are being waxed.

The environment is set up a defined interest centres: Book/quiet area/board games/puzzles, art area, dramatic play, blocks/Lego. The children were observed finishing morning snack, playing a game of free dance in the gym and playing on the school-playground equipment during the inspection. Proper handwashing was also observed.

The facility offers transportation on outings; however, the bus is kept at the main office in Fredericton so could not be inspected during the renewal inspection. This would be completed by the Licensing Inspectors in that area.
