

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

**General Comments**

On the day of my visit the afterschool children were playing in their classrooms. They have moved to their new building/unit and they have increased their numbers and space. The walls will be re-painted at the end of February and it will be done in the evenings so as not to disrupt the childcare program.

The outdoor play space adjacent to their childcare centre will become an outdoor classroom in the Spring.
