<p>General Comments</p> <p>The children were engaged in a variety of activities when I arrived. Some were eating snack, while others were building with lego, making purses with paper, working on a bead craft, playing with wooden blocks and the doll house.</p> <p>The facility is clean and organized. It is divided into four rooms which allows the children to spread out and partake in different activities in each room.</p> <p>There are a variety of materials that meet the interests of the children.</p> <p>Positive child guidance was observed during the visit.</p> <p>Staff and children's files were reviewed; all the files contained the proper documents.</p> <p>The facility seemed to be running smoothly during the visit.</p>
