General Comments
<p>Renewal Inspection completed.</p> <p>*Covid Recovery Phase Guidelines are being followed. Posting at the door to indicate entrance requirements and visitors are screened and temperatures checked. Household member list is stored in the child files. Daily logs and temperature checks are being completed as per direction for both children and staff, however please ensure a daily log is kept for each individual class for contact tracing purposes as per PH guidelines. The centre is diligent about tracking cleaning of toys, equipment etc</p> <p>*Lots of wonderful current programming posted throughout the facility. Children were observed going for a walk, playing outdoors and or scouting out the frog pond. Children have been involved in gardening and reaping the rewards - tomatoes, beans etc. Centre is now into fall programming. The centre is very inviting and lots of toys and materials for children to explore and manipulate.</p> <p>*positive child guidance observed and staff provide assistance to children when needed.</p> <p>*As per discussed with the Administrator, please ensure transitions are managed in collaboration with parents and that children transition under the following conditions: the transition period doesnot exceed two weeks and</p>

General Comments

always a record of the child's times in the new room is indicated on the attendance sheet in that room. Children must not be moved to meet the ratio.

\*The assistant administer has been most helpful during my visit today.
