<p>Comments: Handwashing not occurring when children arrive from school. Children were using hand sanitizer. Discussed with administrator on site to ensure that when children arrive they are properly washing their hands either in the washrooms adjacent to the school-age program or in the school-age room.</p> <p>"Public Health recommends the use of alcohol-based hand rubs in ELC facilities only in specific situations, such as during an outbreak to supplement hand washing with soap and water or in areas where there is no easy access to running water and soap, for example, on field trips."</p>			

General Comments
<p>A monitoring inspection was conducted today on the school-age program.</p> <p>Children were observed respecting their individual bubble groups and educator gave gentle reminders to the children when they were close to crossing into other groups.</p> <p>The children were observed engaged in art, (drawing and creating), building with blocks, and listening to a story being read by an educator.</p> <p>The children appeared happy and content in their environments and with their educators and the educators were observed having respectful and meaningful conversations with the children.</p>
