General Comments
<p>A renewal inspection was conducted today.</p> <p>A wide variety of materials are available for both groups to interact and engage with. The children were observed finishing their tie-dyed t-shirts, playing basketball, frisbee, engaged in art creations and playing on the outside climbing structures.</p> <p>Significant improvements have been made in this program since the last inspection. The educators have worked very hard and it shows in the learning environment.</p> <p>Educators were observed engaged with the children during the inspection. Sitting with them creating art projects, working on tie-dyed shirts and encouraging them on the play equipment.</p> <p>Ensure that the mulch under the platforms are raked regularly under the fall zones for the safety of the children.</p>
