Comments: Deficiency is now compliant			

General Comments
A Monitoring Inspection was conducted this afternoon. Children were observed both inside and out. While inside, children were observed drawing, building roadways, playing in their pretend market, and working on a holiday craft. Classrooms contained several well-defined learning / play centers - Arts & Crafts, Dramatic Play, Reading, Building, etc. Several forms of documentation were observed in each room. Parent Board was observed, and the following documents were posted - allergies, license, fire drills, most recent monitoring and renewal reports, contact information, and daily schedule. Outside - children were observed sliding on the hill, with sleds. Attendance records were observed, and they were accurate.
