Name of Early Learning and Childcare Licensing Staff Susan Dickeson		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments
<p>On the day of my visit I was properly screened upon entry. The children were playing outside. They gave me a tour of all their projects and outdoor activities. They had a table set up with play doh, and their gardening was really amazing, both flowers and food to eat. The swings and slide had mulch that was freshly de-compacted. Everyone is very interested in nature and they have Luna moth caterpillars in a habitat inside and a black swallow tail butterfly in a chrysalis in its own habitat, also inside.</p> <p>Last week they went to Science East and were given a resource kit on robots to explore. They will return it next week for a new one with a microscope. This lending service is available to all daycares for free. They will be continuing this all summer. They also participate in the reading program at the Fredericton Library which was virtual but can now take place in person.</p>
