General Comments
<p>The operator and her group of children were at Orchard Park upon my arrival. The children also had outdoor time at the outdoor space of the Early Learning and Childcare Home. There was an abundance of shade at both locations. Children had access to their water bottles throughout the morning.</p> <p>In the outdoor play space at the home, the children were excited to show off their herb garden with their pickle tree (cucumber plant) and vegetable garden. There are a variety of defined areas- sandbox, well stocked water table with a barrel pump and water bottle dispenser for water play, puppet theatre, rock garden, and plexiglass easel for mark making. She has a little gnome garden display, windchimes, metal butterflies on the fence and a wooden bug hotel that add a fun, whimsical element to the space.</p> <p>The operator showed patience and offers lots of opportunities for teachable moments throughout the daily routine. She took time to ask lots of open-ended questions, provide chances for independence to do zippers, take shoes on and off, wash hands.</p>
