<p>General Comments</p> <p>A Monitoring Inspection was conducted this morning. Children were observed during snack, inside play, and during the transition to outside.</p> <p>Several changes were observed in the inside environment. Entry - the big tank has been removed, and cubbies have been installed. A building, and a dramatic play area were observed in the front section of the facility. The left-hand side room appeared more spacious, and well-defined centers were observed. The large room was also rearranged and appeared more spacious. Well defined centers were observed.</p> <p>It is evident that the operator, administrators, and educators have been working hard, to improve their inside environment.</p>
