General Comments

On the day of my visit 4 children were present. The youngest one was napping and other children were having some free play time. The children were throwing balls in a basket and playing in the tent house.

The activities of the week focused on New Brunswick Day and the Olympics. There was documentation on the wall supporting this.

The children washed their hands and got ready for snack time. The snack of the day was bagels with cream cheese, watermelon and milk.

After snack time the children worked on water paint pictures and then got ready to go outside for a walk to the park.
