### General Comments

On the morning of my visit the children had just finished story time and getting ready for snack. While Nouhad was preparing the snack the children played a letter game.

The day's snack was English muffins with cream cheese with grapes and milk. After snack the children started to make a mothers day craft. They painted egg cartons to make flowers.

After the craft was painted the children went for outdoor playtime. The children enjoyed playing on the swings and exploring in the trees. There are plenty of outdoor materials to keep the children occupied.

During my visit I reviewed the Administrative records. All were in proper order.  
The facility is very clean and organized.

Nouhad is currently enrolled the micro-credential course and will be finished in June.
