General Comments
<p>Licensing staff arrived at the early learning and childcare Home while the children were engaging in free play activities just before morning snack time.</p> <p>Snack consisted of bagels with cream cheese, orange slices and milk.</p> <p>After morning snack, the children washed their hands before engaging in a Play-Doh activity. The children chose to create different things with their Play-Doh. One child used Play-Doh scissors to cut up their dough into smaller pieces while other children made a variety of food items such as strawberries, pretzels and cookies of various sizes.</p> <p>In the indoor play space the operator has hung up multiple learning stories at the child's level so the children can look at the pictures to re-visit their learning experiences. The children were very excited to share their personal albums which had pictures of their family members.</p> <p>The indoor play space was very clean and organized and consisted of an abundance of play materials for the children to engage with throughout the day. When it was time to go upstairs to have snack, the children were encouraged to clean up the toys independently.</p>
