General Comments

The children were in the outdoor play space when I arrived. Some of the children were on the play structure, hanging on the monkey bars, while other children were sitting under the play structure drawing and talking with friends.

Educators were communicating well with each other, keeping track of the children as they went inside for a bathroom break or left the facility for the day.

When it was time for the children to come inside proper hand washing procedures were observed.

There were a wide range of activities during the Halloween party such as pin the nose on the cat, eyeball and spoon race, ghost tic-tac-toe, coloring sheets, and a bowling game.

Please update the parent board with my correct phone number of 506-259-4172.
