General Comments
A Monitoring Inspection was conducted this afternoon. Children were finishing up snack at Quality Assurance Monitor's (QAM) arrival. Operator gave QAM a tour of the ELC Home. Children were observed inside, during free play and end of day pick up. Children were observed playing with babies, reading, and playing in a Paw Patrol tent. Operator was observed reading a planet themed book to children. Operator stated that the children are presently interested in the train track, planting / gardening, going on walks, and learning about space / planets. Parent Board observed and all required paperwork present. Several forms of documentation were observed throughout the ELC Home- examples included learning stories, children's photos, and artwork. Positive Child Guidance techniques were observed - educator offering choices, educator on the children's level, and educator using positive language.
