<p>General Comments</p> <p>Upon arrival, Licensing staff was screened for Covid-19. Temperature was taken and the supervisor on site signed licensing staff in for contact tracing.</p> <p>The infants were just starting to wake up when licensing staff observed in the infant room to take child-to-staff ratio.</p> <p>After conducting child-to-staff ratio, licensing staff observed one of the 4/5 year old groups play in the outdoor play environment. Once licensing staff was outside she observed that the pea rock and the mulch had recently been replenished and there is ample protective servicing surrounding the stationary equipment.</p> <p>All educators are very engaged with the children at their level. Licensing staff observed the educators give lots of choice of play materials while on the playground and in the classrooms. Well done!</p> <p>Please ensure all staff required documents are complete before a new staff commences employment.</p>
