Order for Compliance	Regulation	Date to be corrected	Date corrected
6(4) A licence shall indicate the following information: (a) the name of the operator to whom it is issued; (b) the location of the premises at which the facility shall operate under the licence; (c) the class of the facility; (d) the maximum number of children who may receive services at the facility; (e) the ages of the children who may receive services at the facility; (f) the expiry date of the licence; and (g) any terms or conditions imposed on the licence by the Minister.	6(4)	Mar 09, 2026	Sep 11, 2026
Comments:			

General Comments
Follow-up monitoring inspection. Ratio was taken and attendance tracking sheet were reviewed for each room. The six-year-old school age child is no longer enrolled at the facility as they have started school. Deficiency is now compliant. Everything looked to be running smoothly during the visit.
