Order for Compliance	Regulation	Date to be corrected	Date corrected

### General Comments

- Visit done at establishment for a monitoring inspection.
- The ratio is respected during my visit.
- I arrived during free play. The children all played a game of family feud together. The weather was too hot for the children to go outside this afternoon.
- Discussion with the director concerning the dome play structure. I recommend that this structure not be used until protective surface is added around the structure.
- Child guidance is done in a positive respectful way.
