General Comments

- Visit done in the afternoon for a monitoring inspection.
 - Ratio was respected during the visit.
 - Observations: 4-year-old room: The children are working on a group project. Some children are colouring others are cutting out pictures with the educator. Free play was also witnessed during the visit.
 After schoolers: The children were building a fort and afterwards had a snack.
 - I observed that the educators used positive child guidance technique, they are respectful to each child rhythm and attentive to their needs.
 - Incident reports are dated, gives a brief description of the incident, signed by the parent and educator.
