Deficiency is now compliant.			

General Comments
<p>The inspector observes the children playing freely inside and outside. Children have access to different activities and a leprechaun activity was ready by the educators for the children that wanted to participate. A sensory bin for Saint-Patrick's day was also at their disposition.</p> <p>The inspector had a discussion with the administrator regarding the opening hours on the renewal application. The inspector will reach out to the Corporation director.</p> <p>The inspector observed 2 expired EpiPen belonging to the same child from 2021. The inspector recommends the administrator to discuss the expired EpiPen with the parents. While on site, parents discussed bringing a new EpiPen.</p> <p>The ratio was respected during the inspection.</p>
