General Comments
<p>Upon my arrival, the staff was on her cell phone. She advised she was putting music on for the children. I reminded her that cell phone use for personal reasons such as social media or texting during the time she is responsible for the children can be considered lack of supervision. She understands that she cannot be on her phone for personal reasons while supervising the children.</p> <p>All the non-compliances have been corrected.</p> <p>I recommend for renewal.</p>
