General Comments

The Quality Assurance Monitor is on site in the afternoon to conduct a monitoring inspection. The ratio was respected during the visit.

The following elements were verified:

- Daily activities
- Daily routine
- Indoor play area and materials
- Washroom
- Storage space
- Personal belongings

The Quality Assurance Monitor observed the children attending the facility for the full day, as it was a professional development day. The children were observed engaging in free play in the indoor play area, participating in arts and crafts activities, and creating their own squishies. The children were also observed transitioning outdoors for a walk.
