**General Comments**

The children were engaged in a variety of activities when licensing staff arrived. The 4/5-year-old room was having a Mother's Day discussion during circle time, in which the educator read the story " I will love you forever". Children were also heard singing "Days of the week" song before the story was read.

The Preschool group were engaged in some free play activities while the children finished morning snack. The infant group was in the outdoor play space.

The two-year-old group had finished snack and was preparing for outdoor playtime.

The facility is clean and organized. The large windows allow for natural light to shine through. There are plenty of materials for children to learn and explore with.

Children's artwork is posted throughout the rooms.

Educators were observed asking questions and creating conversation with the children.

The children seem comfortable in the environment and are familiar with the daily routine.
