Children observed during indoor play, lunch and outdoor play today.  The children are currently working as a group to create a large paper chain. Educators have provided a variety of open ended art materials that encourages the group to keep working on this project over time.  Materials have been added to the environment that supports the children's current interest in dogs/ vet clinic. Children were observed interacting with their peers as they cared for their dogs.  Open ended art projects are displayed throughout the environment and within the cubbie room.  Children and educators were observed making pizzas for lunch today.  Ouring outdoor play children were engaging in messy mud kitchen play. A variety of bowls, pots and utensils are accessible to the children. The picnic table was set up with Mega Blocks for the children to use. Positive interactions were observed between children and educators during outdoor play.  Healthy snacks were served today.  Hand washing routines were observed.  Recommend adding opportunities for art and mark making to the outdoor play area.
