Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: School-Age Main Room: * Multi colored mat (quiet area), corners/edges ripped to be discarded/replaced. *Blue Lego bin cracked, to be discarded. *Blue Lego shelf: paint chipped, paint touch-ups required.			

General Comments
A renewal inspection was conducted on the school-age program. Full day-Summer Day Camp. The children were observed in outside play for the majority of the inspection. The educators have a wide variety of materials and activities set up for the children to interact and engage with. The children's art creations were displayed on the table, drying from the morning activity. Positive interactions were observed between the educators and the children.
