<p>General Comments</p> <p>Two bubble groups of school age children have been established. The children were observed to wash their hands upon arrival and engage in play in interest centers of their choice. Props and materials were set up for the children before they arrived. All children actively engaged in play and happy to be with one another.</p> <p>The children are still learning the routine of the afternoon and educators provide guidance and reminders when needed.</p> <p>There was a balance of indoor and outdoor play. The children were very excited to get out to the school playground to run, climb and swing!</p> <p>The staff and children's files are well organized. Required documents are being completed and maintained as needed. A cleaning schedule is being followed to comply with the COVID-19 protocols.</p> <p>Immunization records are not required for school age children (in children's files).</p>
