Order for Compliance	Regulation	Date to be corrected	Date corrected
31(4) An operator shall ensure that the outdoor play area of a licensed facility (b) consists of more than one surface to permit different types of play.	31(4)(b)	May 30, 2025	
Comments: Inspector is onsite to complete the follow up inspection. The outdoor play area only consists of one surface to permit different types of play. Administrator explains they are completing this work next week. Operator needs to ensure that the outdoor play area consist of more than one surface.			
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	May 16, 2025	May 16, 2025
Comments: Inspector is onsite to complete the follow up inspection. Children were not allowed outside because of a hornet's nest that was being treated. The inspector was showed added outdoor materials for the children to access. Deficiency is now compliant.			

General Comments
Inspector is onsite to complete the follow up inspection. Inspector observes the children play indoors and one classroom returning from a walk.
The ratio is respected during the follow up inspection.
