Comments: Deficiency is now compliant. Observation of compliance.			

General Comments
<p>During my visit in the afternoon with the inspector, the daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio.</p> <p>Arriving around 1:30 pm, none of the children were taking a nap. Discussion with the operator, she offers the children some relaxation time after lunch and children go outside before 2pm.</p>
