Comments: when I checked, the door was not locked. This was done as soon as I asked			

General Comments

Renewal inspection on November 19, 2024.
During my visit, the children eat their snacks, paint and play freely.
I also observe the meal.
The children present during my visit no longer have a rest period.
School-age children arrive later. They color and play freely. They then have a snack and make a list for Santa Claus.
The operator also informs me that she has e-mailed her renewal request.
