General Comments
During my visit in the afternoon, the daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio, daily activities (planning in the form of a calendar and documentation ex: portfolio, children's photos and display crafts), diaper changing, indoor play area (materials and equipment) and updating staff member records. No children take a nap when I arrive before 1pm. Most of the children aren't present at the time of my visit.
