General Comments
<p>Follow-up inspection on 2025-12-08.</p> <p>The ratio is compliant during my visit. During my visit, preschool children are mixed with after-school children. The children are engaged in free play. It is too cold to go outside (-20°C).</p> <p>I receive a copy of the Quality Improvement Plan and observe the training hours completed by the educators. For the renewal, the updated insurance copy is missing. One of the educators will also need to provide a new copy of her vulnerable sector criminal record check before the end of this week. Follow-up can be done by email.</p>
