24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Feb 24, 2020	
Comments: Daily attendance records must be completed each time a child arrives and leaves and must be taken out of the facility whenever children leave the building. The staff and children were outside, no attendance records were present. The staff member did not know how many children were there when asked. If children were signed in on the attendance records as they arrived, the number of children would have been known.			

General Comments
Observed the educator and children during outdoor play time, sliding down the hill in the play area. Ratios were good during the inspection.
