<p>General Comments</p> <p>Renewal Inspection:</p> <p>The school-age children were observed participating in a variety of activities within the outdoor play area. Activities included basketball, Lego play, coloring, hopscotch, and free play in the yard alongside their educators. Positive educator engagement with the children was observed throughout the outdoor period.</p> <p>The documentation throughout the facility was current and appropriately displayed. Webbing and learning stories were visible within the learning environments. The administrator shared that the children's current interests include sports, art, and Lego, which are well reflected in the programming and materials provided.</p> <p>Hand washing practices were observed prior to snack.</p> <p>The following records were reviewed during the inspection: incident logs, fire drills, and daily attendance records. All staff files were reviewed, and a random selection of children's files was completed.</p> <p>The facility is recommended for licensing pending Fire recommendation.</p>
