Ratio was respected During the visit, the Quality Assurance monitor verified</p> <ul style="list-style-type: none"> - Incident records - Outdoor play area materials and equipment - Daily activities <p>The facility implements an inclusive daily program which contains a variety of purposely planned activities, opportunities and experiences. Minor incidents are properly recorded, documented and signed by parents. Staff members are ready and know what to do if a reportable incident occurs.</p> <p>At the time of the inspection, the children were playing in the school's playground and in the wooded area. The educator informs QA monitor that the facility also has a designated fenced in area where they spend time during the day. She also stated that toys are brought into the fenced-in area, when using.</p> <p>During the visit, construction and machinery were observed in the outdoor area. The educator confirms that a new outdoor play area is being built. QA monitor will have a discussion with the operation regarding the new play area and determine if an application for change is needed.</p>
