### General Comments

Licensing staff arrived at the licensed facility to conduct the yearly license renewal inspection on July 29th, 2024.

The children were engaging in free play activities.

Daily attendance records were being kept on the mandated form. Educators were also signed in on the attendance record forms.

The indoor play space was very clean and organized as well as welcoming.

There was an abundance of learning/play materials for the children to engage with. The educators were actively engaged with the children at their level throughout the renewal inspection.

The outdoor play space was full of natural wood, such as stumps, climbing structure, playhouses, mud kitchen (with accessories.)

There were garden beds along with gardening gloves, and spades for the children to engage with.
