General Comments

-Afternoon visit to the establishment for an unexpected monitoring inspection
-Ratio was respected during the visit.
-No acetaminophen is kept on site
-Administration of medication records is evident
-Medication is locked in a toolbox and is inaccessible to children
-Prescribed medication is labeled with the doctor's name, instructions, and the time period for use
-Snacks are provided at recognized meal periods
-When weather permitting outdoor play occurs at the end of the day
-Each child has an easily accessible space to store their personal belongings, which is labeled with their name and used only for the intended child.
-During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations.
Observations: When arriving at the center, children were using the bathroom and getting ready to go outside. The weather is nice, sunny, and warm, they had snacks outside and were staying out for most part of the afternoon.
