General Comments

- Late afternoon visit to the establishment for an unexpected monitoring inspection
- First monitoring since the increase in space on the license
- Ratio was respected during the visit
- The administrator as well as all educators have a valid first aid certificate
- Monthly emergency evacuation and fire drills are completed
- A monthly review and maintenance plan is completed on all stationary equipment
- Children and staff daily attendance are maintained on site
- Major incident report was reviewed with the administrator on what incident is considered reportable and which one is not
- Minor incident reports are maintained in the child's file
- Material and equipment proposed to children in the indoor play area are easily accessible on low, open shelves. It is varied and in sufficient quantity for all children present.
- Each child has an easily accessible space (laundry basket) to store their personal belongings, which is labeled with their name and used only for the intended child.

Observations: When arriving at the center it was the bathroom run for everybody, once everyone was done, they went all outside mimicking either an animal, a sour face, tip-toeing...etc to get to their snack spot, they were having cheese and crackers. Once they were done eating, games were planned for them, ex: side walk chalks, puzzle, gross motor games, wooden blocks, drawing...
