General Comments -Afternoon visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -The administrator as well as all educators have a valid first aid certificate -Medicine is locked and stored in a toolbox, appendix 6 is kept in the toolbox with the medicine showing administration of medication records -No children are in need for an EPIPEN -When weather permitting outdoor play occurs twice during on a PD Day and on any regular school day children are going outside at the end of the day -On PD-day's children bring their lunch box and snacks are always provided by the operator -It was observed during the visit that when in a situation of misunderstanding, children's guidance is done by asking opened questions and staff provided support towards problem solving to allow children to find a solution together. -Each child has an accessible basket to store their personal belongings, which is labeled with their name and used only for the intended child. -A first-aid kit and a phone are always accessible on site and when going outside. -Staff were reminded to keep hot beverages in a spill-proof container Observations: Once the school day had ended, the children arrived at the school cafeteria. Attendance was taken, and the children used the washrooms before having their snack (apple and cheese). The three educators planned to go outside and play with the children for the afternoon.
