General Comments
<p>Monitoring Inspection- COVID-19 Recovery Phase.</p> <p>Requirements as per Recovery Phase Guide being implemented. Changes to drop off and pick up with parents dropping off at the door working well. All required documents evident and well organized. Discussed with operator date group established indicates date "bubble" group was created and not current date unless a new child was added to the group bubble.</p> <p>it is evident that staff are working hard to keep with new guidelines to ensure the health and safety of all the children.</p> <p>Staff person onsite to maintain cleaning schedule has ensured that all required cleaning is being completed. Handwashing routine observed during inspection.</p> <p>Groups participated in indoor and outdoor play during inspection. Environments are welcoming with materials available for the children and documentation of children's activities and learning posted throughout the rooms.</p>

General Comments

Educators observed to be engaged with children. Changes to the indoor environment set-up and addition of new shelving has enhanced the environment.
