General Comments
<p>When I arrived, the younger children were just arriving.</p> <p>They went inside and played with the house and dolls. Then the educator prepared the tables for snack and the older children arrived around 3:20. Before snack, all the children were asked to wash their hands. Today for snack was wheat cereal and apples. After snack the children helped clean up by putting their own bowls and spoons in the dishwasher.</p> <p>There has been changes since my last visit. New paint, lighting, and materials. Part of the ceiling on the main floor was also replaced which helps with the sound. More natural elements have also been added such as plants.</p> <p>The staff were engaged with the children during play and helping them when needed during snack time by cutting the apples for the ones who needed it.</p> <p>New elements were also added outside such as a new mulch area with a climbing dome, a new playhouse, mud kitchen and chalk board.</p>
