<p><b>General Comments</b></p> <p>On the afternoon of my visit, educators and children were celebrating National Donut Day! Children were treated to a special donut snack and had donut coloring pages as well.</p> <p>The outdoor play space is well maintained and there are a variety of materials and areas for the children to choose from. I saw pool noodles that are repurposed as light sabers, hoola-hoops, chalk and a mud kitchen with materials. They have a gaga ball pit as well.</p> <p>It was noted that a sign is posted on the door between the foyer and main room that says "Stop. Staff and Enrolled Children Only Past This Point" I discussed this with the on site supervisor and she checked with her on-site administrator. It was shared with me that this was a decision the Board of Directors had made and parents are permitted entry if they ask. I discussed with the on-site supervisor that the sign must come down so all parents feel welcomed to come in the space and do not have to ask permission to enter but are granted access at any time.</p> <p>Please ensure windows get opened and the tracks are cleaned out.</p> <p>Please update your Board of Directors list to reflect the recent changes in your Board of Director Members.</p>
