General Comments
<p>There have been numerous improvements to the facility since my last visit. The walls, doors and cupboards have been painted. This makes the room brighter and more inviting.</p> <p>A quiet area was added with comfortable chairs and cushions for the children to relax in.</p> <p>Plants and pictures have also been added to help give the room more of a cozy atmosphere.</p> <p>Staff files and children's profiles were reviewed. Majority were in proper order. The staff files were missing job description.</p> <p>Summer activities have been planned out by the week and day. This weeks theme is "sports week". Last week was crafts. Next weeks activities will include outdoor adventures.</p> <p>Kate and Ashley have worked very hard at improving the children's experience at the facility.</p>
